This application is for Market Rent accommodation. Market Rent is similar to rent in the private market and is **NOT** geared to your income. Accepting a Market Rent unit will **NOT** shorten your wait for subsidized housing. Below outlines the rent charges for Market Rent accommodation available through Housing Referral Services. Our landlords require that your monthly rent payment is **NOT** higher than 50% of your total gross monthly household income. If you cannot afford to pay market rent go to the **Access To Housing (ATH)** office at 499 King Street East and obtain an application for **subsidized** housing.
